

# CALL FOR CREATIVE EXPRESSIONS

## GUIDELINES

**“Art is a wound turned into light.” ~ Georges Braque**

The 1 October Memorial Committee (“1OMC”) invites anyone with an idea or design concept for a permanent memorial and any professional artist with interest in contributing to the creation of a memorial, but without the team necessary to participate in the RFQ process, to respond to the Call for Creative Expressions.

**Please carefully review *Introduction, Our Story, Project & Process Overview* for important information and context before responding to Call for Creative Expressions.**

- **Release Date:** July 1, 2022
- **Submissions Due:** September 30, 2022 (5:00 p.m. PT)

Everyone is invited to submit, regardless of age, relationship to the tragedy, location, or any other consideration. This participation pathway is intentionally designed to be an easy way to express your idea or design concept for a permanent memorial or any aspect of a memorial.

This pathway is also designed for artists, who may not have a team assembled to participate in the RFQ process, as a simple way to convey your qualifications and interest.

All submissions will be seen by the public (unless you opt out) and provided to RFQ Finalists, who will be expected to incorporate Creative Expressions into the development of their proposals.

- Please note: Your name, email and phone number will not be publicly-viewable and provided only to RFQ Finalists. However, any personally-identifying information you include in your attachments will be viewable.

## Eligibility

- If you are under 18-years of age, your parent or guardian will be required to submit on your behalf. Or a teacher may submit on behalf of their students.

## Compensation

No compensation will be provided for participation in Call for Creative Expressions.

## Restrictions

- You may not respond to Request for Qualifications
- Limit of one submission per individual or group
